GOVERNMENT OF MADRAS.
PUBLIC WORKS DEPARTMENT.

MEMORANDUM NO.3533-L/47-2, DATED 15TH JULY 1947.

Sub: Electricity Department - Scales of pay - Deputy Chief Accountants and Chief Accountant of Chief Electrical Inspector to Government's Office and Stores Superintendents - Revision in advance of other Provincial Services - Not considered necessary.

Ref: From the Chief Engineer (Electricity) No.1565-E/46-16, dated 26th June 1947.

The Chief Engineer (Electricity) is informed that the recommendations made by him in paragraphs 2 and 3 of his letter read above will be considered when the question of revision of scales of pay of the Provincial services is taken up for examination by the Government.

Copy of letter from the Chief Engineer for Electricity, No.1565-E/46-16, dated 26th June 1947.

Sub: Pay - Revised scales of pay - Advance increment to Gazetted appointments by transfer from subordinate services - Posts of Deputy Chief Accountants and Chief Accountant, Office of the Chief Electrical Inspector of Government in the Madras General Service and Stores Superintendents in the Madras Electrical Service.

In G.C.No.78, Finance dated 6-2-47 ordering revised scales of pay from 1-1-47 Government sanctioned an increase in the minimum of the existing scales of pay of certain Provincial Services specified in Schedule I of the G.O. to fit in with the revised scales of pay of the corresponding subordinate services. The posts of Deputy Chief Accountants in the Madras General Services and Stores Superintendents in the Madras Electrical Service have not been included in Schedule I of the G.O. mentioned above.

2. The maximum of the revised scales of pay of accountants and Chief Storekeepers or stock verifiers is Rs.190/- and there is only an increase of Rs.10 per mensem in emoluments if candidates drawing the maximum in the subordinate service, are appointed by transfer either as Deputy Chief Accountant or as Stores Superintendents. In the case of Assistant Engineers of this Department, appointed by transfer ~~from Madras Electrical Subordinate Service~~ ~~from Madras Electrical Subordinate Service~~ pay is fixed at the stage next higher than the minimum in the revised scale of Rs.260-30/2--380--40/2-500, if the pay of the Officer is less than the minimum in the revised scale.

fix Rs. 250 x 30/2 = Rs. 3750 the pay at such stage. As an increase of Rs. 10/- P.M. in emoluments will hardly be commensurate with the higher duties and responsibilities of the post, I recommend that the pay of an officer appointed by transfer as Deputy Chief Accountant or Stores Superintendent may also be fixed with effect from 1-1-47, at the stage next higher than the minimum of the scale of pay of the post concerned, provided the officer is drawing less than the pay at such stage.

3. For the same reasons as stated above, I also request that the concession of fixing pay at the stage next higher than the minimum may also be extended to appointments by transfer to post of Chief Accountant, Office of the Chief Electrical Inspector to Government.

ELECTRICITY DEPARTMENT - Scales of pay - Posts of Deputy Chief Accountants and Chief Accountants office of the Chief Electrical Inspector to Government and Stores Superintendents - Revision.

Ref: From the Chief Engineer (Electricity) No. 1565-E/46-16, dated 26th June 1947.

In G.O.No.78, Finance, dated 6-2-1947, the Government ordered the revision of scales of pay of certain Provincial Services also along with the Subordinate services. The Chief Engineer (Electricity) in his letter read above, states that the posts of Deputy Chief Accountants and Chief Accountants in the Office of the Chief Electrical Inspector to Government of the Madras General Services and Stores Superintendents in the Madras Electrical Services have not been included in Schedule I of the G.O.No.78, Finance, dated 6-2-1947.

It is understood that proposal regarding the revision of scales of pay of Provincial Services is under consideration in Finance Department. Pending a decision in the matter by the Government no action seems necessary on the Chief Engineer's proposal. It is not known if the Cabinet Sub Committee, which was constituted to go into the question of revision of scales of pay of subordinates considered the cases of Deputy Chief Accountants and Stores Superintendents.

Finance (Reorganisation) Deptt.

With reference ^{once} at 'A' above it may be stated that the proposal relating to the revision of scales of pay of "Provincial Services" is pending in this Deptt. and it will be taken up for detailed examination after the Reorganisation Committee is reconstituted. The suggestion made by the Chief Engineer, Electricity at 2 on p.2 c.f. will be considered at the time

of examination referred to above.

The case may be returned to P.W.D.

Yes, but argument that a 10 rupees increase is not sufficient seems rather uncouraging. *unconvincing*
